LAUBACH SEES KINDNESS AS ANSWER TO COMMUNISM

Philadelphia — Technical skills and kindly deeds will do more than money toward diverting the world from Communism, Dr. Frank Laubach, the world-travelled missionary and literacy expert, told the national W.C.T.U. convention here.

Laubach, who has taught more backward peoples to read and write in their own tongue than any other person, expressed this viewpoint:

"We cannot out-propagandize Russia in a war for survival. But our deeds of kindness are more powerful than her accusations. The answer to Communism is a deed.

"Putting our confidence in money is a mistake. We must help the world to help itself by sending technically-trained missionaries to teach the nations our technical skills.—R. N. S.
